

REMARKS

The specification has been amended to correct obvious errors in Table 13 at page 30 and Table 14 at page 32.

Applicants submit that the errors and correction to the errors are obvious.

Table 13 has been amended to rename Samples 11-1 to 11-6 as Samples 13-1 to 13-6. Support can be found in the specification at page 29, lines 17-19 and page 30, lines 15-16.

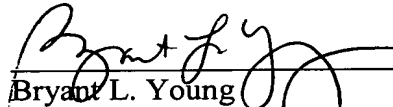

Table 14 has been amended to rename Samples 12-1 to 12-6 as Samples 14-1 to 14-6. Support can be found in the specification at page 31, lines 8-11 and page 32, lines 3-8.

Upon entry of the amendment, claims 1-4 will remain active.

No new matter is believed to have been added by the amendments. An action on the merits and allowance of the claims is requested.

Respectfully submitted,
